Get close to the largest land animal in South East Asia

ITB 2011

Having just returned from the ITB 2011 in Berlin we would like to say a big thank you to all who came by to see us at the show. It is a great base for us to meet with our friends in the travel industry and it was great to be able to share ideas and update you all on our new Rainforest Camp. We look forward to a fantastic 2011 with you all!

Elephant Hills – New rates for the 2011-2012 season starting Nov 2011.

As of the 1st of November 2011 and in order to tackle the strong Thai baht and to give our joint customers even better value for money Elephant Hills has revised their 2011-12 rates. Please contact our Marketing Team for more details on marketing@elephant-hills.com.

Elephant Hills Elephant Experience:

Available exclusively at Elephant Hills, our Elephant Experience has finally taken the place of our traditional Elephant Trek. Moving toward a more unique and responsible form of Elephant Tourism, Elephant Hills hopes to move the focus away from purely sitting on Elephant back, to interacting with and understanding more about the Asian Elephant and their mahouts.

A once in a life time chance to shower with an Elephant and see them take the plunge in our Elephant Bath, feed, interact and understand the Asian Elephant! Elephant Hills Elephant Experience is available **ONLY** at Elephant Hills and as part of our unique 2 – 4 day Luxury Nature Tours. Contact info@elephant-hills.com for more details on how to book.

Elephant Hills Rainforest Camp.

As the Rainforest Camp completes 2 months in operation the response from guests has been astonishing. The Rainforest Camp's presence as the place to experience some of the last remaining jungle in Thailand is marked by the variety of wildlife already spotted at the lake. Camp Manager Brett Thompson notes, "not only have we seen the extremely rare, Wild Asian Ox and observe Great Hornbills almost daily but just 2 days ago one group of guests managed to follow a solitary Sun Bear for 30 minutes on their kayaks!"

If you are looking for the experience of a lifetime combinable with our unique and extremely popular Elephant Experience then why not try our 3 Day Jungle and Lake Exploration Tour, run **ONLY** by Elephant Hills Luxury Tented Camps.

TAT Sydney Join us for a trip to the Rainforest Camp!

It's was our great pleasure to welcome the **Tourism Authority of Thailand** from **Australia**, to Elephant Hills and our Rainforest Camp last month. The group enjoyed their stay at the Camp and participated in our Elephant Hills Jungle Lake Safari 3Days 2Nights program. Thanks guys we look forward to your next great trip!!

Guest Feedback :

Once in a while we receive an e-mail that makes it all worthwhile; we would like to share with you some of the feedback from guests staying at both Elephant Hills and the Rainforest Camp. For more guest comments why not check out our **Guest Book**

Dear all at Elephant Hills and Bae our guide (still looking for Tigers!) We would like to say a big thank you for the best experience we have ever had. From the staff at the restaurant/bar, The Mahoots and of course the lovely elephants, the lads from the canoe trip to the lake tent staff. Everything about the whole stay was absolutely first class and all were so friendly. The lovely children from the local school showing us the Thai traditional dancing were a delight.

We will definitely be returning (hopefully in 2013). I hope you can put this email in your guest book as the link only let me read them. To anyone who is considering this trip we can not recommend it more, the elephants are well looked after and all the facilities were lovely, clean and well maintained. Keep it up!! **PARADISE** in the jungle

Best wishes
Lisa and Ashley Preece, Reading, Berks UK

GLOBAL ENVIRONMENT NEWS

New Delhi, India – The Indian Government today released new tiger population numbers for the first time since 2007, indicating that numbers have increased in the country that has half of the world's remaining wild tigers. The government estimated current tiger numbers in India at 1,706, up from 1,411 during the last count in 2007. However, the 1,706 figure includes an additional tiger reserve in the count, the Sundarbans, that contained 70 tigers. [click here](#)
