### The Elephant Experience....Get close up and personal with the largest animal in Asia!!!!

Started at the end of 2009 our Elephant Experience is just that, a chance to get close to these amazing creatures, feel their thick skin and interact with them during one of our unique experiences. Chop, prepare and feed the elephants one of their daily feeds, learn about their handlers, help scrub and clean and watch them bathe in our giant elephant bath. Feed them dietary supplements that help with digestion and general wellbeing and help to plant some of the giant grass used for next season's crop. A truly unique experience here in the rainforest.

Experience the Asian Elephant only at Elephant Hills – Khao Sok, Southern Thailand!
